

[early career membership](#)

Early Career Membership

Take the first steps in your career and join an international conservation community.

Get your personalised membership price based on your location and any other related organisation memberships.

Which country are you in?

Are you a new member or renewing last year's membership?

Are you also a member of any of these organisations?

Early Career Membership 2023-24

Early Career membership is open to everyone in the first five years post-graduation who is taking their first steps in conservation, heritage science or a related profession.

Select the options above to see the membership fee with any applicable discounts applied.

[Join now](#)

To ensure membership is affordable for all you can [find details here of further discounts](#) by world region and for those who already belong to a national body for conservators. These will be applied at checkout.

Online payments by credit or debit cards are made in Sterling, however we can also accept payment via PayPal or international bank transfer payments, please contact iic@iiconservation.org if you need assistance.

“Being a student member and now early career member at IIC has not only given me the opportunity to exchange ideas with so many people with extensive and various experiences in conservation-restoration but also to be always updated on what’s going on in our field”.

Isa von Lenthe
IIC Member
