

Student membership

Student Membership

With international news and access to job opportunities around the world, a dedicated grants and bursary programme to support your studies, discount on the new *Science for Conservator* book series, instant digital access to *Studies in Conservation* plus FREE online attendance to IIC's Student and Emerging Conservator Conferences and our major biennial Congresses - there's lots to help you get started in the profession.

Get your personalised membership price based on your location and any other ? related organisation memberships.

Which country are you in?

Are you a new member or renewing last year's membership?

Are you also a member of any of these organisations?

Student Membership 2023-2024

Student membership is for those enrolled in a full-time programme of education, training or work experience under the supervision of a professional conservator.

Select the options above to see the membership fee with any applicable discounts applied.

[Join now](#)

You can see all the Student member benefits below and read [here](#) about the wider benefits, responsibilities and opportunities of being part of a truly global professional body of conservators and conservation professionals.

We aim to make membership affordable for all. If you are eligible, discounts will be added automatically at checkout. Online payments by credit or debit cards are made in Sterling, we also accept payment via *PayPal*. For international bank transfer payments, please contact iic@iiconservation.org if you need assistance.

“From my young days as a student, IIC has opened my eyes and ambitions about what conservation can be. Through an interesting career, it still does – only more so.”

Velson Horie FIIC
