We have a strong global network of members representing over 70 countries. We know that networking and professional development opportunities are important to our members. We will help you advance your career by being part of a truly international community.

This membership rate has been introduced to help those with a lifetime of expertise to continue contributing to IIC. It is open to existing Individual Members who have retired from gainful employment.

"The more I learned about IIC, its networks and how membership develops skills and knowledge within conservation, the more I realized this truly was an exceptional community of cultural heritage professionals."

Meaghan Monaghan
IIC Member, Canada
