

News in Conservation, April 2010

This issue includes an article providing insights into the conservation profession in Croatia, both now and in the past.

Author: IIC

Year of publication: 2010

Volume: 17

Publisher: News in Conservation, International Institute for Conservation of Historic and Artistic Works,

Place published: London

Abstract: This issue includes an article providing insights into the conservation profession in Croatia, both now and in the past. There are also updates on the assessment of damage following the earthquakes in Haiti and Chile as well as news of research into Disney animation cels and the conservation of limestone suits of armour. IIC news pages include information about the next Round Table, the IIC Congress in September, and an introduction to more new Fellows.
