

Conservation Matters Wales 2023, Swansea Museum

Submitted by Marina Herriges on 13 Nov 2023

Eleni rydym yn cael croeso yn personol yn ôl i'n cynhadledd Nadolig boblogaidd, a gynhelir gan Amgueddfa wych Abertawe ac sy'n cynnig cyfle i gwrdd unwaith eto â ffrindiau a chydweithwyr o bob rhan o'r sector cadwraeth casgliadau amgueddfeydd.

This year we are having a welcomed in person return of our popular Christmas conference, hosted by the wonderful Swansea Museum and offering a chance to meet once again with friends and colleagues from across the museum collections conservation sector. This year's conference theme is simply one of sharing your Conservation related story to celebrate the diversity and creativity of our work. Conservators are resilient and innovative, and we want to hear about things you have learnt, experiences gained, and any fabulous projects completed! We are now seeking proposals for 10 to 20-minute presentations for the conference and encourage students and emerging professionals especially to take part. Deadline for submission of abstracts (max. 200 words) to Megan de Silva - MeganDeSilva@monmouthshire.gov.uk - by 24th November 2023.

Arbedwch y dyddiad a galwch am Gyflwyniadau - Ymunwch â ni ar gyfer ein Cynhadledd Nadolig Materion Cadwraeth Cymru! <https://www.eventbrite.com/e/conservation-matters-wales-christmas-confer...>

Save the date and call for Presentations - Join us for our 2023 Conservation Matters Wales Christmas Conference! <https://www.eventbrite.com/e/conservation-matters-wales-christmas-confer...>
